

# 24-core single-mode optical cable supplier

## AI Overview

Reliable manufacturers of 24-core single-mode optical cables include Huadong Cable Group, Yancheng Jingze, Zion Communication, and Optical Cable Corporation, offering high-quality, customizable solutions for long-distance and high-bandwidth applications.

**Key Manufacturers and Offerings**

- Yancheng Jingze New Material Technology Co., Ltd.** Yancheng Jingze specializes in 24-core single-mode fiber optic cables designed for both indoor and outdoor use. Their cables feature low attenuation, high transmission rates, and durable construction, making them suitable for telecommunication networks, data centers, and broadband access. The single-mode design ensures minimal signal loss over long distances, and the cables are engineered for reliability and longevity with stringent quality control measures.
- Huadong Cable Group** Huadong Cable Group provides customizable 24-core and 48-core fiber optic cables. They can design cables according to specific requirements, including environmental conditions and installation needs. Customers can request tailored solutions via email, and the company offers responsive support for custom orders.
- Zion Communication** Zion Communication offers ADSS 24F single-mode fiber optic cables with G.652D fibers. These cables are designed for long spans (up to 80m or more) and feature water-blocking, UV-resistant, and moisture-proof construction. The cables include loose tubes, aramid yarn strength members, and HDPE/MDPE jackets, suitable for outdoor installations in harsh environments. They also provide options for different fiber counts and cable diameters based on customer specifications.
- Optical Cable Corporation (OCC)** OCC manufactures a wide range of fiber optic cables, including high-performance single-mode solutions. Their products are known for robustness, high data reliability, and suitability for industrial, broadca...
