

African Waterproof Electrical Distribution Box Company

AI Overview

Several South African companies specialize in waterproof electrical distribution boxes, offering a range of enclosures suitable for industrial, commercial, and residential applications. Key Suppliers

1. Allbro Allbro is a leading South African manufacturer of non-metallic enclosures, including waterproof electrical distribution boxes. They produce brands such as York, Okari, Enlec, Utilec, PSO1, and PSO2, all manufactured locally to international standards. Their products are designed to withstand harsh environments and are suitable for industrial, commercial, and residential use.
2. Twodigits Trading (Pty) Ltd Twodigits offers a variety of domestic and industrial distribution boards, including surface, flush, and floor-mounted options. Their weatherproof enclosures are available in mild or stainless steel and are rated from IP44 to IP65, making them suitable for outdoor and harsh conditions. These boxes support decentralized electrical installations and building automation.
3. DBSA Store Distribution Boards SA (DBSA Store) designs, manufactures, assembles, wires, and tests distribution boards and electrical panels. They provide high-quality enclosures, motor control centers, and meter boxes, emphasizing durability, precision, and professional service. Their products are suitable for both commercial and residential applications.
4. ARB Electrical Wholesalers ARB supplies weatherproof distribution boxes made from Glass Reinforced Polyester (GRP) with hinged lids. These enclosures are designed for outdoor use and provide robust protection against water ingress, making them ideal for harsh African climates.
5. ACDC (Weather Proof Boxes) ACDC offers a range of weatherproof boxes at various price points, suitable for electrical distribution and protection. Their products are designed to meet IP-rated standards for water and dust resistance, ensuring safe in...
