

Aluminum Cable Management Frame Accessories

Overview

Add cable, wire, and power management to your 80/20 T-slot frame: wiring ducts, cable ties, mounting pads, cable & tube clips, claps, and mounting blocks. Custom Clean Rooms, Ergonomic Workstations, Belt Conveyors, and Machine Guards Are But A Few Applications. T-slotted modular aluminum profiles similar to Bosch profiles, 8020 profiles, item profiles. Distributors include Amtec, modular aluminum technologies. Keep your workspace tidy and efficient with these durable cable clips designed specifically for aluminum profile extrusions measuring 30mm, 40mm, and 45mm. Unlike generic wire organizers, our clips fit securely onto frame edges, preventing cable clutter and improving safety with minimal effort. ABB saves time and labor with its comprehensive lines of metal framing and cable tray, including the industry's only 100% plated products, our 1 1/2" modular system, and hundreds of accessories to complete any job. Their installation and handling is very simple.
