

Cable tray and cable manufacturer in West Asia

AI Overview

West Asian projects often source high-quality cable trays from leading Asian manufacturers in China, India, and Indonesia, offering durable, standards-compliant solutions. Leading Manufacturers

1. Shandong Tianhong Electric Power Technology Co., Ltd. (China) Tianhong specializes in perforated trays, cable ladders, trunking, strut channels, and fittings. They provide OEM and ODM services, supporting customized solutions for industrial, commercial, and infrastructure projects. Their products are designed for heavy-duty applications, excellent ventilation, corrosion resistance, and flexible installation, making them suitable for West Asian climates and large-scale projects.
2. Brilltech Engineers Pvt. Ltd. (India) Brilltech offers galvanized steel, stainless steel, and fiberglass cable trays. Their perforated trays enhance airflow, prevent overheating, and ensure optimal cable performance. They provide installation support, system design assistance, and adhere to stringent industry standards, making them a reliable supplier for West Asian clients.
3. PT Sumber Surya Mandiri (Indonesia) This company manufactures cable trays, cable ladders, and wire mesh systems for industrial and commercial applications. Their products are ISO and SNI certified, emphasizing durability, heavy-duty performance, and ease of installation. They cater to both local and international markets, including potential West Asian projects.
4. Jeetmull Jaichandlall (India) Known for high-quality wire mesh cable trays, Jeetmull Jaichandlall offers a variety of sizes, shapes, and finishes. Their manufacturing facility uses advanced technology to ensure durability and compliance with industry standards. They serve global markets, making them a viable option for West Asian procurement.

Key Considerations for West Asia

Material Selection: Galvanized steel and stainless steel are preferred for corrosion resistance...
