

Cable tray price inquiry at Nigerian factory

AI Overview

Cable trays in Nigeria range from approximately ₦9,000 for standard sizes, with prices varying by material, size, and duty rating. Price Overview Standard Cable Trays: On platforms like Jiji, high-quality cable trays are listed at around ₦9,000 per unit, depending on size and quantity (e.g., De-Great Tony Global Ent.). Galvanized Cable Trays: Nigerian-made galvanized trays, such as 200x50mm or 300x50mm, are available from manufacturers like Ned-Tech Nig Ventures and Electric Mall, with prices typically quoted per 2.5-meter section. Material and Finish: Prices vary based on finish—pre-galvanized, powder-coated, painted, hot-dip galvanized, or stainless steel (SS 202/304/316)—and the duty rating (light, medium, heavy, extra heavy) affects cost. Suppliers and Contact Ned-Tech Nig Ventures: Offers a wide range of cable trays, ladders, wire mesh, and accessories. They provide ISO 9001:2008 certified products with industrial-grade strength and durability. Contact via 08061295622 or visit Alaba International Market, Lagos. Electric Mall: Supplies galvanized cable trays designed for easy installation, transportable, and stackable, suitable for industrial and commercial applications. Jiji Nigeria: Marketplace for various cable tray sizes and quantities, with delivery options available. Factors Affecting Price Size and Length: Larger trays (e.g., 300mm width) cost more than smaller ones (e.g., 200mm width). Duty Rating: Heavy-duty and extra-heavy-duty trays are more expensive due to thicker material and higher load capacity. Material: Stainless steel trays are pricier than galvanized or powder-coated options. Accessories: Additional components like bends, returns, and supports may increase total cost. For accurate pricing, it is recommended to contact suppliers directly for a quotation based on your required size, material, and quantity. This en...
