

Cable tray support bracket price quote

AI Overview

Cable tray support brackets typically range from \$5 to \$50 per piece, depending on type, size, and material. Price Overview Cable tray support brackets vary in design and application, which affects their cost:

- Stand-Off Brackets:** Used to mount cable trays with a specific clearance from walls, sizes range from 50mm to 300mm. Prices generally start around \$5–\$15 per bracket for standard pre-galvanized steel models.
- G Hanger Support Brackets:** Designed for overhead support of cable trays or baskets, commonly available in 100mm and 150mm sizes. These typically cost \$10–\$25 per bracket depending on material and finish.
- Trapeze Support Brackets:** Pre-assembled for robust support with various drop lengths, often used for wider trays. Prices can range from \$20–\$50 per bracket for pre-galvanized or stainless steel options.
- Wall-Mounted L-Shaped Brackets:** Suitable for wire mesh cable trays, these brackets are available for trays 150–300mm wide and are priced around \$15–\$30 each on platforms like Amazon.

Factors Affecting Price

- Material:** Pre-galvanized steel is common and cost-effective, while hot-dipped galvanized or stainless steel (A316/A4) brackets are more expensive but offer superior corrosion resistance.
- Size and Load Capacity:** Larger brackets or those designed for heavy-duty trays cost more.
- Finish:** Powder-coated or corrosion-resistant finishes increase durability and price.
- Supplier and Quantity:** Bulk orders from industrial suppliers like RS Components, Graybar, or Direct Channel may offer discounts, while single purchases from online retailers may be higher.

Where to Buy

- RS Components:** Offers a wide range of cable tray accessories including support brackets for commercial and industrial use.
- Amazon:** Provides L-shaped wall brackets and other support options suitable for smaller installations or data centers.
- Direct Channel:** Specializes in stand-off, G-hanger, and trapeze brackets with various sizes and finishes.
- Graybar:** Industrial supplier with a broad selection of cable tray fittings; pricing may require account login or ZIP code...
