

Cheap bundled fiber optic cables in the UAE

AI Overview

You can find affordable bundled fiber optic cables in the UAE through online marketplaces like Amazon.ae and local suppliers such as Cable House, Microsys Networks, and DConnect, offering bulk deals and multi-pack options. Online Retail Options Amazon.ae offers a wide range of fiber optic cables, including multi-packs and bulk rolls. For example, 5-pack 1-meter single-mode LC cables are available for around AED 104, while 3-pack OM3 LC to LC multimode cables are priced at AED 58-65, providing cost-effective options for small-scale installations or home networks. Many listings include free delivery and discounts for multiple purchases, making it convenient for buyers across the UAE. Local Suppliers and Distributors Cable House in Dubai supplies fiber optic cables from 2-core to 96-core, including single-mode and multimode (OM2, OM3, OM4) options. They offer cut-to-length services and project-based quotes, which can reduce waste and overall cost. Microsys Networks LLC provides Etisalat and DU-approved brands, with bulk options for indoor and outdoor armored cables, patch cords, and FTTH cables. They cater to both small and large-scale projects with competitive pricing. DConnect highlights that bulk purchases can significantly reduce per-meter costs, with standard cables ranging from AED 5-30 per meter and high-capacity cables above AED 50 per meter. Bundled deals often include connectors, patch panels, and installation support. Manufacturers Arabian Fiber Optic Cable (AFOC) and Naficon manufacture high-quality fiber optic cables in the UAE, offering customized bundles from 1 to 576 fibers. These manufacturers provide reliable, durable cables suitable for telecom, data centers, and large-scale infrastructure projects, often with fast delivery across the UAE. Tips for Cost-Effective Purchases Buy in bulk: Reduces per-meter cost and shipping fees. Compare suppliers...
