

Cost of cable tray supports in Vanuatu

AI Overview

Vanuatu cable tray supports, including galvanized steel options, are available from multiple suppliers with prices varying by material, size, and quantity. Overview of Cable Tray Supports in Vanuatu Cable tray supports in Vanuatu are primarily offered in galvanized steel, stainless steel, aluminum, and PVC, designed for industrial and commercial cable management systems. These supports include L-shaped brackets, adjustable arms, and mesh trays, suitable for mounting on walls, ceilings, or trailer frames. They are engineered for durability, corrosion resistance, and ease of installation.

Price Range

Galvanized steel supports: Prices typically start from \$20-\$50 per bracket for standard L-shaped or adjustable supports, depending on size and load capacity.

Mesh cable trays and larger support systems: Bulk or industrial-grade trays can range from \$100 to \$500 per unit, depending on length, width, and material grade.

Enclosed cable trays: These are slightly more expensive due to additional protection, with prices often starting around \$150 per unit for smaller sizes.

Suppliers and Purchase Options

Realcable, Emit Metal, and Eurotray: Offer galvanized and stainless steel cable trays with detailed specifications and bulk pricing.

E-commerce platforms like Alibaba and Go4WorldBusiness: Provide access to multiple suppliers for Vanuatu, allowing buyers to compare prices, request quotes, and purchase in bulk.

Etrailer: Offers adjustable cable tray support brackets suitable for trailers or custom installations, with prices for individual brackets and sets.

Considerations

Material choice affects both price and longevity; galvanized steel is cost-effective and corrosion-resistant, while stainless steel offers higher durability at a premium.

Quantity and bulk orders often reduce per-unit cost.

Shipping and import duties to Vanuatu may influence the final price, so contacting suppliers directly for quotes is recommended. For accurate pricing, it is advisable to request a quote from multiple suppliers based on the specific dimensions, material, and quantity required...
