

Direct Sales from Myanmar Busbar Switchgear Manufacturer

AI Overview

You can source busbar switchgear directly from Myanmar manufacturers such as Multi Power Engineering, Myanma Power Spectrum, and Thida Chan Myay Electrical Trading, all offering IEC-compliant products and engineering support. Key Myanmar Manufacturers

1. Multi Power Engineering Co., Ltd. Offers busbar switchgear, cables, wires, insulators, and related electrical accessories. Products are manufactured using quality raw materials like EGI sheets and epoxy powder. Complies with Myanmar Electrical Inspection (EI) and IEC standards, ensuring international quality and safety. Provides engineering services tailored to customer needs, including design and quality control procedures. Website: mpecmyanmar.com
2. Myanma Power Spectrum Co., Ltd. Supplies low-voltage, medium-voltage, and high-voltage electrical equipment, including busbar systems. Offers engineering services such as site surveys, equipment selection, and system integration. Supports direct procurement and logistics for import convenience. Engages in distributorship and direct sales, making it suitable for bulk or project-based orders. Location: Yangon, Myanmar Website: mypowerspectrum.com
3. Thida Chan Myay Electrical Trading Co., Ltd. Provides busbar distribution systems, MSB (Main Switchboard), EMSB, and DB for commercial, residential, and industrial projects. Offers full services including engineering design, material supply, construction, testing, commissioning, and operation/maintenance. Handles projects for substations up to 230kV and overhead transmission lines, indicating capability for large-scale electrical infrastructure. Website: thidachanmyay.com

Product Features and Compliance Busbar switchgear from these manufacturers typically uses aluminium or copper conductors. Products conform to IEC standards and Myanmar Electrical Inspection rules, ensuring safety...
