

Distribution Box HT-5

AI Overview

The HT5 Distribution Box is a versatile electrical enclosure designed for various applications. Here are some key features:

- Configurations:** Available in 2-way, 5-way, 8-way, and 12-way options, suitable for different circuit needs.
- Material:** Constructed from durable ABS plastic with a clear lid, ensuring protection against dust and water (IP65 rated).
- Usage:** Ideal for outdoor applications, including farms, chemical plants, and security systems.
- Protection:** Offers impact, heat, and chemical resistance, making it suitable for harsh environments.
- Installation:** Comes with a DIN rail and mounting brackets for easy installation.

For more details, you can check the respective product pages from the sources.
