

Distribution Box Indicator Light Manufacturer

AI Overview

Several reputable manufacturers in China and globally supply high-quality distribution box indicator lights with customizable options and international certifications. Key Manufacturers and Suppliers

Ebasee Ebasee offers AC distribution box indicator lights compatible with 45-way distribution boxes. Their products meet IEC60439-3 standards and are available for flush or surface mounting with IP40, IP65, and IP66 protection ratings. They provide options for customized logos, packaging, and graphics for bulk orders starting from 1,000 pieces.

GE Control CN This Chinese supplier specializes in LED distribution box indicator lights, ensuring high reliability and compliance with international and domestic standards. Their products undergo electrical, optical, and environmental testing, making them suitable for safe electrical panel monitoring. They offer durable and high-quality indicator lights for industrial and commercial applications.

Kingsun Electrical Kingsun manufactures electrical distribution boxes with built-in indicator lights. Their models, such as FMD DTB E1013L, feature ABS fire-resistant materials, copper terminals for good conduction, and easy-to-open panels. They provide surface and flush mount options, multiple sizes, and logo engraving on transparent doors for customization.

Huangshan Safety Electric Technology They produce 22mm LED indicator lamps for power distribution boxes with high brightness, long lifespan (up to 100,000 hours), and IP65 protection. Their lamps support a wide voltage range (AC/DC 6V-380V) and offer customizable head styles and character content. OEM and ODM services are available with fast delivery times.
