

Dutch cable tray elbow manufacturer

AI Overview

CC Nederland B.V., Staalbouw Dijkstra, and Gouda Holland/Niedax Group are key Dutch manufacturers offering cable tray systems and elbow fittings. CC Nederland B.V. specializes in stainless steel cable trays with high corrosion resistance and durability. They offer a wide range of sizes and custom dimensions, including elbow fittings for flexible cable routing. Their patented locking trays allow easy installation and secure fastening, making them suitable for industrial and commercial applications across the Netherlands. Staalbouw Dijkstra produces and supplies cable trays in various materials such as aluminum, stainless steel, and steel. They provide a full range of fittings, including elbows, enabling compact and stable configurations for electrical and instrumentation cabling. Their products are delivered quickly throughout the Netherlands, supporting both standard and custom installations. Gouda Holland / Niedax Group, part of the Niedax Group, offers versatile cable support systems, including elbow fittings and other accessories. Their solutions are designed for hygienic, industrial, and utility applications, with options for stainless steel, galvanizing, and specialized surface treatments. They provide high-quality, DNV-approved systems suitable for complex projects, ensuring flexibility and durability. Summary For Dutch projects requiring cable tray elbow fittings, these manufacturers provide reliable options: CC Nederland B.V. – stainless steel, customizable, patented locking trays Staalbouw Dijkstra – aluminum, steel, RVS, fast delivery, full fitting range Gouda Holland / Niedax Group – versatile, high-quality, industrial-grade systems These companies can supply both standard and custom elbow fittings to meet specific project requirements in the Netherlands.
