

Finland s well-known cable tray company

AI Overview

Meka is a leading Finnish manufacturer of high-quality cable trays and cable management systems. Meka Oy is a reliable Finnish manufacturer specializing in cable management systems, including cable trays, cable ladders, wire mesh trays, lighting suspension rails, cable trunkings, and socket poles. Their product portfolio consists of seven product families with nearly 4,000 products, emphasizing durability, quality, and long life-cycles. Meka focuses on providing comprehensive solutions for construction and industrial projects, making it a prominent choice for cable tray systems in Finland. Cablex Oy is a Finnish company that supplies cables, cable accessories, and related tools for industrial and machine construction. While Cablex primarily focuses on cables and electrical components, they also provide products and services related to cable management, including installation support and maintenance of mechanical and electrical tools. Cablex is part of the global HELUKABEL network, which enhances its product range and international reach. Other Suppliers Onninen: A Finnish distributor offering a variety of cable trays and accessories for electrical installations. They provide a wide selection suitable for both industrial and commercial projects. DKC Europe: While not exclusively Finnish, DKC Europe supplies cable tray systems across Europe, including Finland, and offers solutions for civil and industrial infrastructures. Summary For Finnish cable tray solutions, Meka Oy is the primary manufacturer known for high-quality, durable products. Cablex Oy and distributors like Onninen provide complementary products and services, including cables, accessories, and installation support. These companies collectively cover a wide range of cable management needs in Finland, from industrial projects to construction applications.
