

How much does an electrical distribution box cost in the Czech Republic

Overview

The cost of installing a basic residential distribution board ranges from 1100 to 1800 PLN. We offer a complete range of electrical materials and lighting equipment - cables, sockets, switches, switchboards, circuit breakers, fuses, contactors, protectors, relays, luminaires and light sources. The shop offers light fittings, LED lighting, light sources - bulbs, fluorescent lamps, energy. The total cost of the investment depends on many factors - from the size of the distribution board, through the method of installation, to the chosen quality of materials. In our many years of experience at Onninen, we see that property owners often do not have a complete picture of the costs.
