

How to organize a messy terminal box

Overview

This in-depth guide walks you through a simple 4-step system to organize and hide tangled cables: start with a quick cord audit, then detangle and label everything, corral cords into a clean power hub, and finally conceal them safely with trays, clips, sleeves, and raceways. An organized tackle box saves time and frustration on the water. You'll get practical. Before diving into methods, consider why cable management is important: - Reduces clutter: Prevents messy piles and tangled cords. Some scrap wood. For those that use a terminal box, has that been very effective, can you get everything in it?

Any good input appreciated. My plastics are split between two 3700 boxes. The Plano Edge Terminal Box has probably. Effective fishing requires a solid foundation in efficiency, and one of the key elements is organizing your terminal tackle.
