

Huijue a brand of optical cables

AI Overview

Huijue is a leading Chinese manufacturer of optical cables and fiber optic components, providing customized telecom solutions and direct factory sales. Company Overview Huijue, officially known as Shanghai Huijue Network Communication Equipment Co., Ltd, was established in 2001 and is headquartered in Shanghai, China, with a large R&D center, technical center, and prototype department . The company operates a mass production facility in Jiangsu province covering 50,000 square meters, specializing in precise metal production, assembly of cabinets, and optical fiber products . Huijue also has a subsidiary, Haian Huijue Network Communication Equipment Co., Ltd., focused on outdoor cabinets and integrated telecom solutions . Products and Services Huijue manufactures a wide range of fiber optic products, including: Optical fiber cables and patch cords Fiber optic components such as adapters, splitters, and active connectors FTTX solutions and data center network solutions Outdoor and data center cabinets for telecom infrastructure The company provides customized solutions for telecom operators and supports OEM/ODM services, allowing clients to order even single units of optical components . Huijue's products are used by major domestic operators like China Mobile, China Unicom, China Telecom, and China Tower . Manufacturing Capabilities Huijue's production facilities are equipped with four professional integrated production lines and a senior technical team, ensuring high-quality output and efficient supply chain management . The company emphasizes R&D and innovation, holding multiple invention and utility model patents, and has been recognized with awards such as the China Science and Technology Private Enterprise Innovation Award . Market Presence Huijue serves both domestic and international markets, exporting products worldwide. Its solutions are widely applied in government, transportation, education, and telecom industries, reflecting a strong r...
