

Indian Explosion-proof Distribution Box Supplier

AI Overview

S&S Enterprises, Metalmech Engineering, Saix Flameproof Equipments, and Rayflame Proof Pvt Ltd are leading Indian manufacturers of explosion-proof distribution boxes. Key Manufacturers

1. S&S Enterprises S&S Enterprises specializes in Ex-Proof Distribution Boards designed for hazardous areas with flammable gases, vapors, or dust. Their boards are engineered to prevent internal sparks, arcs, or heat from igniting the surrounding atmosphere, making them suitable for Zone 1 and Zone 2 hazardous locations. The units comply with strict Indian and international explosion-proof standards and are widely used in oil refineries, chemical plants, offshore platforms, and fuel storage facilities. Each board features flameproof or increased-safety protection to ensure reliable and safe power distribution.
2. Metalmech Engineering Metalmech Engineering manufactures stainless steel explosion-proof enclosures and junction boxes, including complete distribution boxes. Their products are IECEx & ATEX certified, DNV-certified, and IP66-rated, suitable for gas (Group IIC) and dust (Group IIIC) hazardous zones. They offer enclosures in SS304, SS316, and mild steel, with robust construction, welded corners, silicone rubber gaskets, and internal DIN rails for mounting components. These boxes are widely used in oil and gas sectors and harsh industrial environments.
3. Saix Flameproof Equipments Based in Anand, Gujarat, Saix manufactures a comprehensive range of flameproof and explosion-proof equipment, including distribution boxes, control panels, and switchgear. Their products are designed for chemical, pharmaceutical, oil & gas, fertilizer, and refinery industries, ensuring compliance with safety standards and delivering tailored solutions for hazardous environments. Saix emphasizes timely delivery, high-quality performance, and regulatory compliance.
4. Rayflame Proof P...
