

Indonesia Fiber Optic Cable Distribution Box Factory

AI Overview

Indonesia hosts several leading fiber optic cable and distribution box manufacturers, including PT Communication Cable Systems Indonesia (CCSI) and Norden Communication, offering high-quality products for telecommunications and industrial applications.

Key Manufacturers

PT Communication Cable Systems Indonesia (CCSI)
CCSI is a prominent fiber optic cable manufacturer in Indonesia, established in 1996 and supported by Corning International for fiber and technical know-how. The company operates a factory in the Krakatau Industrial Estate, Cilegon, Banten, with an annual production capacity of up to 2,500,000 km of fiber. CCSI produces a wide range of optical fiber cables, including submarine, outdoor, and indoor designs, ensuring stress-free fibers with long lifespans and optimal data-carrying capacity. Their products serve telecommunications, oil & gas, power utilities, railway transport, and private enterprises.

Norden Communication
Norden is a leading manufacturer and supplier of FTTH fiber distribution boxes in Indonesia. Their Optinor range is designed for optical fiber splicing, distribution, and protection, suitable for both wall-mounted and pole-mounted outdoor applications. The boxes feature IP65 waterproof protection, making them ideal for outdoor use, and are widely used in broadband, FTTH networks, and other telecommunication infrastructure.

Other Notable Manufacturers
Several other top-tier fiber optic cable factories in Indonesia include PT Indonesia Cable, PT Sumi Denso Manufacturing, PT Citra Sumber Abadi, PT Multi Kabel Indah (MKI), and PT Ciptadaya Abadi. These companies provide single-mode and multi-mode cables, advanced manufacturing processes, and ISO-certified quality standards, catering to both domestic and international markets.

Product Applications
Telecommunications networks: High-speed internet, broadband, and FT...
