

# Indonesian complete electrical distribution box manufacturer

## AI Overview

Leading manufacturers of electrical distribution boxes in Indonesia include PT Triyasa Mitra Engineering (MaxiBox), PADI Electric, and AC Rittal Indonesia, offering custom, high-quality solutions for industrial and commercial applications. Key Manufacturers

PT Triyasa Mitra Engineering (MaxiBox) MaxiBox is a prominent Indonesian manufacturer specializing in electrical distribution boxes and enclosures. They offer a wide range of products including free-standing panels, sheet steel outdoor panels with protective canopies, SMC/polyester panels, and ABS enclosures. Their products are designed for durability, corrosion resistance, and compliance with international standards.

MaxiBox provides full customization and OEM services, ensuring solutions tailored to specific industrial needs, with IP65-rated options for outdoor applications and strict in-house quality control. PADI Electric (PT Perkasa Adi Daya Indonesia) PADI Electric manufactures and distributes electrical products including junction boxes, panel boxes, and cable trays. They provide custom fabrication in steel, stainless steel, aluminum, and PVC, catering to both local and international standards. Their offerings are suitable for industrial and commercial electrical distribution systems, with competitive pricing and a focus on high-quality materials. AC Rittal Indonesia AC Rittal supplies Rittal brand box panels, including electrical distribution panels, generator panels, and outdoor panels. They offer medium to large-sized panels, both fixed and modular (knock-down), with flexible, modular systems and custom solutions. AC Rittal is recognized for reliable industrial electrical solutions and strong customer support. Additional Manufacturers and Suppliers Other notable companies in Indonesia include GSPE, Legrand Indonesia, PT Tri Mitra Elektrik, PT Galleon Cahaya Investama, and Ega Tekelindo Prima. These companies provide a range of products...
