

Indoor Waterproof Thickened Distribution Box

Overview

2-way waterproof distribution box with side-opening (hinged) cover for quick access. IP65 sealing, ABS base + PC transparent cover, impact-resistant and weatherproof.

(3). Weather & Dust Resistance: Constructed with robust Cold-rolled steel sheet effectively shielding against rain, dust, and harsh outdoor elements for long-lasting performance. Available in 4-39 ways, single/double/triple layers, ideal for industrial, commercial, and photovoltaic applications. Meet IEC standards for reliable electrical protection. Check dimensions & specs now! EKDB10 series.

□Premium Materials□: Crafted with high-quality ABS plastic, the durable enclosure provides reliable protection for your electrical components. The waterproof cover ensures optimal performance in various weather conditions, making it suitable for outdoor use.

□Waterproof and Secure□: With an IP65. The Waterproof Electrical Distribution Box, with its high-definition transparent cover, is a transparent panel that not only allows for easy monitoring of the internal components, but also enhances the overall aesthetics, making it perfectly suited for functional applications. Built with durable materials, CE & ROHS certified.
