

Italian galvanized cable tray supplier

AI Overview

Top Italian manufacturers for galvanized cable trays include Spina Group, SATI Italia, Zamet SpA, Steel Line CMS, and FEMI-CZ, all offering high-quality, customizable solutions for industrial and civil applications. Leading Manufacturers Spina Group Spina Group, through its Schiavetti Tekno line, is a leading Italian manufacturer of cable trays and accessories. They offer hot-dip galvanized (HDG) ladder trays, perforated trays, and closed-bottom trays, designed for strength, corrosion resistance, and long-term performance in demanding industrial environments. Their products comply with EN and UL standards and include modular accessories, covers, and custom sizes for complex installations, making them suitable for energy, infrastructure, and plant engineering projects. SATI Italia S.p.A SATI Italia specializes in robust and flexible cable carrier systems. Their modular galvanized steel trays are tailored for energy, construction, and automation sectors. The company emphasizes customization, allowing solutions for complex industrial layouts while ensuring high load capacity and corrosion resistance. Zamet SpA Zamet offers a wide range of cable tray systems, including ladder trays, wire mesh trays, and solid-bottom trays. With over 40 years of experience, Zamet focuses on customizable solutions for both civil and industrial applications, ensuring durability, flexibility, and compliance with international standards. Steel Line CMS Steel Line CMS manufactures high-performance cable tray systems for nearly 40 years, including galvanized ladder and perforated trays. Their products are designed for both standard and customized installations, prioritizing safety, aesthetics, and long-term reliability in industrial and civil projects. FEMI-CZ FEMI-CZ produces metallic cable tray systems suitable for large plants and civil installations. Their offerings include solid-bottom, ladder, and mesh trays in various structural dimensions and material qualities, including galvanized steel. They also provide customized solutions for large-scale projects in t...
