

Kuwait Electrical Box and Distribution Box Manufacturer

AI Overview

Key manufacturers of electrical distribution boxes in Kuwait include Hamad Al Mutawa Factory, Electrical Projects Company (EPC), KEC Kuwait, and Keming Electrical. Notable Manufacturers

1. Hamad Al Mutawa Factory for Low Voltage Electric Distribution Box Production Located in Sabhan Industrial Area, Mubarak Al-Kabeer, this factory specializes in low-voltage distribution boxes and related electrical enclosures for industrial and commercial applications, serving Kuwait's growing infrastructure and energy sectors.
2. Electrical Projects Company (EPC) EPC has over four decades of experience in Kuwait, manufacturing switchboards, distribution boards, motor control centers, and feeder pillars. They focus on high-quality fabrication, electrostatic powder coating, and compliance with industry standards for low-voltage systems.
3. KEC Kuwait Established in 1976, KEC provides premium low-voltage electrical solutions, including distribution boxes and panels. They offer end-to-end services from design and estimation to installation and post-sales maintenance, ensuring compliance with local and international standards.
4. Keming Electrical Although based in Guangzhou, Keming Electrical supplies high-performance electrical junction boxes and distribution solutions to Kuwait's industrial, commercial, and infrastructure sectors. Their products are widely used in oil, construction, and renewable energy projects, including outdoor and explosion-proof enclosures.
