

List of Omani electrical distribution box manufacturers

AI Overview

Top manufacturers in Oman include Al Rouba Electrical & Services LLC, Perfect Automation & Innovation, Al Hassan LLC, and National Electrical Industries Co. L.L.C., all offering high-quality electrical distribution solutions. Leading Manufacturers

Al Rouba Electrical & Services LLC Founded in 2013 and based in Muttrah, Al Rouba specializes in manufacturing electrical distribution and control panels for HVAC, power distribution, and process industries. They are recognized for their quality control, use of components from leading brands, and prompt delivery, serving government, public-sector, and private clients across Oman .

Perfect Automation & Innovation Located in Muscat, this company manufactures and wholesales power distribution boxes and control panels. They focus on precision, reliability, and custom-designed solutions to meet client-specific requirements, ensuring high-quality standards through strict inspection processes .

Al Hassan LLC Established in 1975, Al Hassan Electricals Company LLC is a major player in Oman, manufacturing low and high voltage switchgear panels. Their products are type-tested and internal arc tested, serving critical sectors such as oil & gas, power, water, and wastewater. They provide tailored solutions with a strong emphasis on quality and reliability .

National Electrical Industries Co. L.L.C. (NEI) NEI, founded in 1997, manufactures a wide range of electrical switchgear products, including MCBs, MCCBs, ELCBs, distribution boards, and GI switch boxes. Their products feature removable neutral links, shrouded busbar systems, and clear labeling, ensuring compliance with international standards and superior performance .

Key Considerations When selecting a manufacturer in Oman, consider:

- Product Quality and Standards:** Ensure compliance with IEC standards and internal testing for safety and reliability.
- Customization Options:** Some manufacturer...
