

Lithuanian fire-fighting cable tray manufacturer

AI Overview

Beerenberg offers Benarx Epoxy Cable Trays in Lithuania for passive fire protection of critical cables. Key Manufacturers and Suppliers

1. Beerenberg – Benarx Epoxy Cable Tray Beerenberg provides Benarx Epoxy Cable Trays, designed for passive fire protection (PFP) of critical power and signal cables. These trays are made from perforated steel plates coated with epoxy on both sides, ensuring durability and fire resistance. The prefabricated modules allow quick installation, easy maintenance, and disassembly. They maintain cable integrity under fire conditions and reduce long-term maintenance costs compared to traditional ceramic fire protection systems. Beerenberg also offers installation support and technical consultation for projects in Lithuania.
2. Elektrokomplektas UAB While primarily a supplier of cables, wires, and installation materials, Elektrokomplektas works with partners like ElettroCanali, which provides cable management systems including trays. They supply a wide range of industrial and electrical installation products, and may assist in sourcing fire-rated cable trays for large-scale projects such as wind farms and industrial installations.
3. Kabelita Kabelita specializes in wires, cables, and installation materials, including HDPE and PVC technical pipes. They also provide cable management solutions and can advise on project-specific electrical installations, potentially including fire-protection cable trays. Their experience in both wholesale and project assembly makes them a practical local partner for Lithuanian construction and industrial projects.
4. Brilltech Engineers (via Lithuania) Although an international supplier, Brilltech Engineers offers high-quality cable trays in Lithuania, including perforated and galvanized steel options. Their trays support cable organization, airflow, and safety, and they provide technical assistance for installation and system design. Wh...
