

Malta Low-Voltage Complete Equipment Procurement Website

Overview

The primary platform is the Electronic Public Procurement System (ePPS) at etenders. Register for free, set up search alerts, and browse current opportunities. e-PPS is a web-based, collaborative system to facilitate the full lifecycle of a tendering process, for both buyers and suppliers. It offers a secure, interactive, dynamic environment for procurements of any nature, complexity or value (above or below EU thresholds), enforcing (where appropriate). This is the link to the Electronic Public Procurement System (ePPS) This is the link to the Electronic Public Procurement System (ePPS) This link will take you to the webpage containing Current Traditional Tenders This webpage contains recent news concerning the Department of Contracts As set out in its Status, MITA shall, in the procurement of works, services and supplies, observe the Government of Malta's Public Procurement Regulations that may be in force from time to time. Under the Public Procurement Regulations (Legal Notice 352 of 2016), MITA is listed as a Schedule 3. From time to time, SEM issues requests for quotations and tenders related to the provision of supplies, services and works. Maltese-registered companies and.
