

Malta Rainproof Large-Span Cable Tray Prices

AI Overview

Rainproof large-span cable trays in Malta are available from multiple suppliers, with prices varying by material, size, and load capacity. Suppliers and Options Brownrig Supplies Direct Ltd. Brownrig offers galvanized steel cable trays, suitable for industrial and outdoor applications, including rainproof environments. They provide a range of sizes and configurations for large-span installations, ideal for commercial projects in Malta. Pricing is typically quoted per meter and depends on tray width, depth, and load rating. Contacting Brownrig directly is recommended for accurate quotes. RS Malta RS supplies metal cable trays including steel and aluminum options. Their catalog includes ladder, perforated, and solid trays, which can be used in rainproof setups if made from corrosion-resistant materials. Prices vary based on material and span, and RS Malta provides online ordering and bulk pricing options. XOL Malta XOL Malta lists a variety of cable trays, including large-span and industrial types, though specific pricing is not displayed online. They offer tailored solutions for commercial and industrial projects, and contacting them directly will provide detailed pricing and availability. FBP Malta FBP Malta offers cable trays and mesh trays, suitable for both indoor and outdoor installations. Their products include rainproof options, and pricing is generally provided upon request depending on the tray dimensions and material.

Factors Affecting Price

Material: Galvanized steel and aluminum are more expensive than standard steel but offer better corrosion resistance.

Tray Type: Ladder trays, solid-bottom trays, and mesh trays have different costs. Ladder trays are often preferred for large spans.

Dimensions: Width, depth, and length of the tray directly influence the price.

Load Capacity: Trays designed for heavy cable loads or long spans are priced higher.

Supplier and Quantity: Bulk orders or tr...
