

Managed PoE Switch with 24 Ports

AI Overview

A managed 24-port PoE switch provides centralized control, Power over Ethernet for devices, and advanced network management features suitable for small to medium business networks. Key Features to Consider

- 1. Port and PoE Capabilities** Managed 24-port PoE switches typically offer 24 Gigabit Ethernet ports with IEEE 802.3af/at PoE support. For example, the TP-Link TL-SG3424P provides 24 PoE ports with a total power budget of 320W, sufficient to power IP cameras, VoIP phones, and wireless access points. The NETGEAR GSM4328 offers 24 PoE+ ports with 648W total PoE power and 4x 10G SFP+ uplinks, ideal for high-demand AV or broadcast applications.
- 2. Management Features** Managed switches allow VLAN configuration, QoS, port security, ACLs, and 802.1X authentication. TP-Link's JetStream TL-SG3424P supports IP-MAC-Port-VID binding, storm control, DHCP snooping, and L2 to L4 QoS, enabling efficient traffic management and enhanced security. NETGEAR's AV M4350 series provides pre-defined profiles for AV deployments and centralized management across multiple switches.
- 3. Uplink and Expansion Options** Many models include SFP or SFP+ slots for fiber uplinks. TP-Link TL-SG3424P has 4 combo SFP slots, while NETGEAR GSM4328 includes 4x 10G SFP+ uplinks, allowing flexible network expansion.
- 4. Design and Reliability** Some switches feature fanless designs for quiet operation, like the Ubiquiti USW-24-PoE, which is ideal for office or surveillance environments. Others, like NETGEAR, include quiet mode and stackable platforms for larger deployments.
- 5. Ease of Use** Managed switches often provide web-based interfaces, CLI, SNMP, and RMON for configuration and monitoring. TP-Link and NETGEAR models offer intuitive management tools to reduce setup time and downtime.

Recommended Models

- TP-Link TL-SG3424P: 24 PoE ports, 320W total PoE, 4 SFP slots, L2 management, QoS, ACL, 802.1X support.
- NETGEAR GSM4328 (M4350): 24 PoE+ ports, 648W total PoE, 4x 10G SFP+ uplinks, AV-focused profiles, stackable...

Dahua 16/24-Port PoE Gigabit Managed Switch

1.1 Product Introduction The 16/24-Port Gigabit Managed PoE Switch is designed and developed for field transmission application of high definition video. The product is equipped with high performance

NETGEAR PoE Switch 24 Port, Gigabit PoE+ Smart Managed Switch

Offre 24 porte Gigabit con PoE+ fino a 190 W, perfette per alimentare telecamere IP e access point senza bisogno di alimentatori aggiuntivi. Le due porte SFP da 1 G garantiscono ottime opzioni di uplink.

TP-Link Omada SG3428XMP 24 Port Gigabit PoE+ Managed Switch

TP-Link Omada SG3428XMP 24 Port Gigabit PoE+ Managed Switch with 4 Port 10G SFP+ - Buy TP-Link Network Switch at best price of ₹ 26010/piece by Ayansh Infocom Private Limited.

Ruijie Reyee 24 Port PoE 370w Gigabit Managed Rackmount Switch

Ruijie Reyee RG ES228GS P is a smart PoE switch with 24 PoE ports, 4 gigabit uplinks, cloud management, and watchdog protection for professional CCTV networks.

24 Port Gigabit Switch: ECS1528P Cloud PoE+ | EnGenius

24-Port 240W PoE+ Switch The EnGenius ECS1528P cloud-managed switch delivers 24 x Gigabit PoE+ ports, Layer 2+ switching features, 4 x 10G fiber uplinks, 240W PoE Budget, and centralized

Fortinet FortiSwitch 148F POE 48-Port Managed Switch, 24-Port PoE+

Fortinet FortiSwitch 148F POE 48-Port Managed Switch, 24-Port PoE+, 48 Buy Online with Best Price. Express delivery to Seychelles, Mahé Island, Victoria

Hikvision 24-Port Smart Managed Gigabit PoE Ethernet Switch (DS

A professional 24-port Gigabit smart managed PoE switch designed for extensive IP camera networks, offering remote management features and reliable power delivery.

Amazon : 24 Port Gigabit Managed Switch

TP-Link Omada 24 Port Gigabit PoE Switch, Easy Managed, 250W Budget, PoE+ Compliant, Up to 250m PoE Distance, Auto Recovery, VLAN, Auto Loop Prevention, with Fan, Managed by Omada

24-Port Gigabit Smart PoE+ Switch with 4 Combo SFP

The TL-SG2424P provides 24 10/100/1000Mbps ports that supports 802.3at/af-compliant PoE, with a total PoE power supply up to 180W, powerful and flexible

Best 24-Port Gigabit Switch: Tested and Reviewed

In this guide, we've tested and reviewed the best 24-port gigabit switch to help you make an informed decision.

13 Best 24-Port Managed Switches for 2026 (Network

If you're looking for the best 24-port managed switches for 2026, I recommend considering options like the TP-Link TL-SG3428, NETGEAR, UniFi,

Comparing Ubiquiti UniFi Pro PoE 24-Port Gigabit Managed PoE ...

Ubiquiti UniFi Pro PoE 24-Port Gigabit Managed PoE Network Switch with SFP+ You Pay: \$754.00 (12) Add to Cart

Huawei S220S-24P4J 24 Port Managed POE Switch

Buy genuine Huawei eKit S220S-24P4J 24-Port Managed Gigabit PoE+ Switch in Myanmar. 400W PoE budget, 4x 2.5GE SFP uplinks, Layer 2 management. Best price in Yangon.

Fortinet FortiSwitch 248E-FPOE 48-Port Gigabit PoE+ Managed Switch

Fortinet FortiSwitch 248E-FPOE 48-Port Gigabit PoE+ Managed Switch Description The Fortinet FortiSwitch 248E-FPOE is a secure access, Layer 3 managed enterprise switch housed in a

24 Port Switches Ideal for Offices and Enterprises

From workstations to VoIP phones, NETGEAR's 24-port switches keep every device connected. Order today to expand your business or office network effortlessly.
