

Oman Power Distribution Box Equipment Manufacturer

AI Overview

Oman hosts several reputable manufacturers and suppliers of power distribution box equipment, including Perfect Automation & Innovation, Al Hassan LLC, NEI, Al Kiyumi Electric, and Al Murad International Co. LLC. Key Manufacturers and Suppliers

1. Perfect Automation & Innovation Located in Muscat, this company specializes in custom-designed power distribution boxes, control panels, and power contactors. Their products are known for precision, reliability, and compliance with industry standards, making them suitable for both commercial and industrial applications.
2. Al Hassan LLC Al Hassan Electricals Company LLC (AHE) is a leading manufacturer and distributor of low and high voltage switchgear, power control, metering, and substation equipment. They provide fully type-tested low voltage switchgear up to 6400 A, with internal arc testing and fault level compliance. Their solutions cater to oil & gas, petrochemical, power, water, and wastewater sectors, offering tailor-made panels and distribution boards.
3. National Electrical Industries (NEI) NEI manufactures a wide range of electrical switchgear products, including MCCBs, MCBs, ELCBs/RCCBs, distribution boards, and G.I. switch boxes. Their distribution boards feature removable neutral links, shrouded busbar systems, and clear labeling, with fault ratings up to 25 kA and IEC compliance, suitable for industrial and commercial power distribution.
4. Al Kiyumi Electric & Trading Co. LLC Al Kiyumi Electric is a trusted supplier offering switchgear, junction boxes, cable management systems, industrial plugs, motor starters, and explosion-proof fittings. They provide a broad range of electrical products for industrial, commercial, and hazardous area applications.
5. Al Murad International Co. LLC (Musandam Group) Al Murad International specializes in LV power panels, motor control centers, soft starters, VF...
