

Pigtail ties stuck in hand

Overview

Here's the safest way to remove it without causing harm! Use pliers to press the locking mechanism, and it'll release instantly. Quick, easy, and safe—perfect for emergencies! ♥️ Accidentally got a cable tie stuck on. While rubber bands are super convenient to tie your hair up with, especially when you just cannot find your clips or scrunchies, they can be quite damaging to the hair if you do not take them off the right way. Let's discuss what is the “right” way to take off rubber bands. Perhaps you accidentally step on a tack at home while you are putting up a poster in your room. Or maybe you fall and get a pin stuck in your skin at school. Anyone know any tips for what i should try?

: r/needadvice My 9 year old kid just tied a zip tie tightly on to his finger, but I can't seem to get it off. When you find yourself in a situation where you're restrained by cable ties, staying calm and composed is crucial. Preparation is key to escape successfully.
