

Price of small tools for fiber optic cable binding

AI Overview

Small fiber optic cable binding tools, such as stainless steel banding tools and cable ties, typically start around \$10 per package, with specialized hand tools ranging from \$20 to \$200 depending on type and functionality. Stainless Steel Banding Tools and Cable Ties Fibconet offers stainless steel banding tools and cable ties designed for securely binding fiber optic cables and wires. These tools are affordable and versatile, with packages of cable ties priced at approximately \$10 including tax. The tools are made from premium stainless steel, ensuring durability and reliability, and come in various widths, lengths, and colors to suit different applications. Installation tools are available for multiple types, including screw type, L Type Ear-lokt, SC Lock, self-locking, and multi-lock ladder types. Hand Tools for Fiber Optic Cable Management For smaller hand tools used in fiber optic cable preparation and binding, options include fiber strippers, cleavers, mid-span slit and ring tools, and thermal strippers. Prices vary based on complexity and brand: Basic fiber strippers: around \$20-\$50 Mid-span slit and ring tools: \$50-\$150 Thermal strippers and adjustable blade tools: \$100-\$200 These tools are designed to provide precise access to optical fibers and facilitate secure cable management during installation or maintenance. Tool Kits and Accessories Comprehensive fiber optic tool kits often include multiple small tools for cable binding, preparation, and termination. Prices for these kits typically range from \$50 to \$300, depending on the number of included tools and the brand. Kits from suppliers like Amazon, CommScope, and Jonard Tools provide a variety of options for technicians and installers. Summary Cable ties (stainless steel): ~\$10 per package Basic hand tools: \$20-\$50 Specialized mid-span or thermal tools: \$50-\$200 Complete tool kits: \$50-\$300 These prices reflect typical market ranges a...
