

# Rain on the telecommunications tower

## Overview

Torrential rains across Sindh, particularly in Karachi, severely disrupted telecommunications, leaving thousands of mobile phone users without service. Sources in the Pakistan Telecommunication Authority (PTA) told ProPakistani that over 2,500 telecom towers were knocked. 1,202 communication tower rain stock photos, vectors, and illustrations are available royalty-free for download. Cell Tower with Rainbow in Cloudy Sky After Rain Cell Tower with Rainbow. The IRGC says it carried out a retaliatory strike against an air base used by the US for an attack on a telecom tower in southern Iran. The scene captures the atmosph RMH8ER10-A grinning workman installing cables for superfast broadband in a rural Oxfordshire village, UK.
