

[illegible]

Top Serbian mesh cable tray manufacturers include MG Kacarevic, Jeetmull Jaichandlall, and Brilltech Engineers, recognized for quality, durability, and industry compliance. **Leading Manufacturers**

1. **MG Kacarevic Ltd** Based in Belgrade, MG Kacarevic has over 25 years of experience in electro-installation equipment and cable management solutions. They produce a wide range of metal cable trays, including mesh types, and hold international quality certifications such as AQA International, ensuring compliance with global standards. Their products are suitable for industrial and commercial applications, and they have both domestic and international distribution networks.
2. **Jeetmull Jaichandlall (P) Ltd** Jeetmull Jaichandlall is recognized as one of the top 10 cable tray manufacturers in Serbia. They specialize in wire mesh cable trays, offering various sizes, shapes, and finishes. Their manufacturing facility uses modern equipment and advanced technology, ensuring high-quality products that meet strict industry standards. They are known for customization and global export capabilities, making them a reliable choice for diverse industrial sectors.
3. **Brilltech Engineers Pvt. Ltd.** Although originally an international company, Brilltech Engineers supplies high-quality cable trays in Serbia, including perforated and mesh designs. Their trays are made from premium materials such as galvanized steel, stainless steel, and fiberglass. They emphasize durability, safety, and airflow optimization, and provide professional support for product selection, system design, and installation.

Additional Notable Suppliers

- D.O. Almina - Offers cable carriers and open steel profiles suitable for industrial installations.
- COPTECH doo - Supplies copper tubes and various cable types, complementing cable tray systems.
