

Recommended Manufacturers of Aluminum Alloy Cable Trays in Central Asia

AI Overview

Leading aluminum alloy cable tray manufacturers in China, such as KDM, ApexTray, and ZP, offer high-quality, customizable solutions suitable for Central Asian projects. Top Recommended Manufacturers

KDM Steel Offers a wide range of aluminum cable trays including ladder, perforated, and channel types. Products are ISO9001 certified, corrosion-resistant, and available in customizable dimensions and designs. Known for high durability and suitability for industrial and commercial applications.

ApexTray (Apex Cable Tray Systems Co., Ltd.) Specializes in easy-to-install, high-quality trays for challenging environments. Adheres to ISO 9001 and UL standards, ensuring compliance with international safety and quality requirements. Provides solutions for telecommunications, construction, and energy sectors.

ZP Group Manufactures aluminum cable trays with high aluminum content (1060 grade) for long service life. Offers perforated trays for heat dissipation and ventilation, suitable for industrial and commercial installations. Supports OEM and customized solutions to meet specific project requirements.

Shanghai Sintray Industries Co., Ltd. Produces durable, corrosion-resistant aluminum trays ideal for large-scale infrastructure projects. Focuses on customizable high-strength trays for complex installations.

Key Considerations for Central Asia

Climate and Corrosion Resistance: Aluminum trays are lightweight and resistant to corrosion, making them suitable for Central Asia's diverse climates.

Customization: Many Chinese manufacturers offer OEM services, allowing trays to be tailored to specific load capacities, lengths, and installation requirements.

Standards Compliance: Look for I...
