

Rwanda mailbox distribution box

Overview

User can access and register for ePOBox through two ways. In November 2023, the firm ditched its home office in Westlands, Nairobi, for a space at Norrsken House Kigali, a co-working hub operated by the Swedish investment fund Norrsken—impact investors who made inroads to Africa in 2019. At the time, MPost's founder, Twahir Mohamed, said relocating would. ePOBox will offer convenience and control over individual's mail management through instant SMS alerts the service user will receive real-time notification on the mobile phone whenever a package or mail is waiting for him at the post office. This will facilitate the service user to stay informed. This service, provided by The National Post Office, allows individuals and businesses in Rwanda to obtain a secure and convenient ePoBox address. With this development, over a million Rwandans now have the option to utilize their phone numbers as postal addresses for receiving. In a groundbreaking move set to transform Rwanda's postal landscape, MPOST has officially launched its innovative e-P. Despite Rwanda's rapidly advancing technological adoption, 99% of the. its headquarters from Westlands, Nairobi, Kenya, to Norrsken House in Kigali. that regulatory issues back in Kenya may have also contributed to. digital addressing, postal, logistics, and eCommerce services in Kenya, Rwanda, and Burundi. its headquarters from Westlands, Nairobi, Kenya, to.
