

Samoa Flame-Retardant Tray Cable Tray Price Quotation

AI Overview

Flame-retardant cable trays in Samoa are available from local manufacturers like Brilltech Engineers and international suppliers, with prices typically ranging from \$2 to \$25 per meter depending on material, type, and order quantity. Local Supplier in Samoa Brilltech Engineers Pvt. Ltd. is a leading manufacturer and supplier of electrical cable trays in Samoa. They offer both standard and customized flame-retardant cable trays, adhering to ISO-certified quality standards. Their products are suitable for industrial and commercial installations, and they provide support for bulk orders and project-specific requirements. You can contact them directly for a detailed quotation based on your specifications, including tray dimensions, material, and quantity.

International Suppliers Platforms like Desertcart offer flame-retardant PVC cable ducts and trays with UL94-V0 certification, RoHS and REACH compliance. These products include delivery to Samoa, with prices covering product cost, shipping, import duties, and local delivery. For example, Salzer PVC FRLS cable ducts (45x25x500mm) are available for professional installations, and delivery times typically range from 3–9 business days.

Price Considerations

Cable tray pricing depends on several factors:

- Material:** Fiberglass, PVC, galvanized steel, stainless steel, or aluminum. Flame-retardant fiberglass or PVC trays are generally mid-range in cost.
- Tray Type:** Ladder, perforated, or solid-bottom trays affect price; ladder trays are more expensive but support heavier loads.
- Dimensions:** Width, height, and thickness influence material cost.
- Order Quantity:** Bulk orders can reduce per-meter cost by 20–40%.
- Shipping and Installation:** Importing from international suppliers may add 30–50% to the base price.

Typical price range for flame-retardant cable trays is \$2–\$25 per meter, with fiberglass or PVC flame-retardant trays usually falling in the...
