

Saudi Arabian fiber optic cable splicing manufacturer

AI Overview

Saudi Arabia hosts several reputable fiber optic cable splicing manufacturers and service providers, including Middle East Fiber Cable Manufacturing Co., Riyadh Cables Group, Graviton, FiberPro, and ETAC. Key Manufacturers and Service Providers

1. Middle East Fiber Cable Manufacturing Co. (MEFC) Based in Riyadh, MEFC is a Saudi-Japanese partnership specializing in fiber optic cables and accessories for the MENA region. They serve telecommunications, oil and gas, transportation, and governmental sectors, offering high-quality fiber optic products and solutions tailored to diverse industry needs.
2. Riyadh Cables Group Founded in 1984, Riyadh Cables is one of the largest wire and cable manufacturers in the Middle East and Africa. They provide a wide range of fiber optic cables and related components, supporting both local and international projects.
3. Graviton (GravitonKSA) Graviton specializes in Aramco-approved fiber optic splicing and termination services, delivering precision and compliance with industrial standards. They cater to oil & gas, petrochemical, power, and infrastructure projects, offering end-to-end solutions including installation, splicing, and testing.
4. FiberPro Located in Al-Khobar, FiberPro provides advanced telecom solutions, including fiber optic infrastructure and Aramco-approved splicing services. They focus on network architecture, migration, and optimization, ensuring secure and reliable connectivity.
5. ETAC ETAC offers comprehensive fiber optic cabling services, including on-site fusion splicing, termination, and pre-terminated solutions. Their services cover single-mode and multi-mode fiber, indoor and outdoor applications, and include supply of accessories like patch leads and pigtails.

.Additional Providers Other notable companies in Saudi Arabia providing fiber optic solutions include Bright Wires, Systematic Energy Company (SECO), Global Busines...
