

Serbian wire mesh cable tray manufacturer

AI Overview

Serbia has several reputable wire mesh cable tray manufacturers, including Jeetmull Jaichandlall, Brilltech Engineers, Cable House, and MG Kacarevic, offering high-quality, customizable solutions. Key Manufacturers

Jeetmull Jaichandlall (P) Ltd. This company is recognized as one of the top cable tray manufacturers in Serbia, providing wire mesh trays in various sizes, shapes, and colors. They focus on high-quality finishing, durability, and compliance with industry standards. Their manufacturing facility uses modern equipment and advanced technology to produce robust cable trays suitable for heavy loads and long-term use.

Brilltech Engineers Pvt. Ltd. Brilltech offers a wide range of cable trays, including perforated and wire mesh types, made from galvanized steel, stainless steel, and fiberglass. Their trays are designed for optimal cable management, enhanced airflow, and protection against environmental hazards. They provide installation support, system design assistance, and customized solutions for different project requirements.

Cable House Established in 1983, Cable House manufactures and supplies cable trays along with related products like hose clamps and crimping tools. They are known for durable, high-performance trays and offer customized solutions to meet specific client needs. Their products are recognized for reliability and long service life.

MG Kacarevic Ltd. Based in Belgrade, MG Kacarevic has over 25 years of experience in electro-installation equipment manufacturing. They produce metal cable trays for both domestic and international markets, emphasizing quality and compliance with industry standards.
