

Singapore Electro-galvanized and Hot-dip Galvanized Cable Tray Manufacturer

AI Overview

Singapore has several reputable manufacturers and suppliers of hot-dip galvanized cable trays, including Wanco Electric, AE Hub, GS Global Metal, Seen Joo, and United U-Li Projects. Key Manufacturers and Suppliers

1. Wanco Electric Pte Ltd Wanco Electric offers perforated steel cable trays made from hot-dipped galvanized (HDG) steel and high-grade hot-rolled steel. They provide multiple tray types including standard straight flange and returned flange designs, with light to super heavy-duty options. Their products comply with BS EN 1416 and other international standards, and covers are available upon request. Wanco also supplies epoxy-coated, stainless steel, aluminum, and FRP/GRP trays .
2. AE Hub AE Hub supplies metallic cable support systems including hot-dipped galvanized cable trays, stainless steel, aluminum, and epoxy-coated options. Their trays are available in light, medium, and heavy-duty specifications, and they comply with IEC 61537, NEMA VE-1, and SS249 standards. Covers are included by default, and they also provide cable ladders and trunking systems .
3. GS Global Metal Pte Ltd (CTS Cable Trunking System) GS Global Metal manufactures hot-dipped and ZAM galvanized steel cable trays and trunkings, including epoxy-galvanized options. Their products are widely used in Singapore and Malaysia for commercial and industrial projects, adhering to Singapore Standard SS249:1981. They offer cable trays with return flanges and ZAM-finished trays and ladders .
4. Seen Joo Pte Ltd Seen Joo specializes in perforated cable trays and ladders made from hot-dipped galvanized steel according to BS 729:1971 and ASTM A386-73. They also provide pre-galvanized and epoxy-coated mild steel trays. Their products are suitable for commercial buildings, shipbuilding, and tunnel structures .
5. United U-Li Projects Pte Ltd Established in 2009, United U-Li Projects offers a com...
