

Somali optical cable manufacturers

AI Overview

Key suppliers of optical cables in Somalia include Somcable and Somali Optical Network, offering fiber optic infrastructure, connectivity solutions, and international interconnectivity. Local Suppliers Somcable is a Somali company specializing in advanced fiber optic networks, including Dense Wavelength Division Multiplexing (DWDM) capable of transmitting over 400 Gb/s. They provide network infrastructure with redundant paths across cities like Hargeisa, Borama, Berbera, and Burco, and have expertise in fiber optic technology since 2009 (somcable.com). Somali Optical Network (SOON) offers a range of services including Fiber to the Home (FTTH), local loop capacity, data transit, video broadcasting, and surveillance services. They also provide international interconnectivity for Somali operators and global carriers, making them a key player in Somalia's telecommunications infrastructure (soon.so). International and Wholesale Suppliers For businesses seeking fiber optic equipment or bulk optical cables, platforms like Go4WorldBusiness list Somali 4-core optical cable manufacturers and verified buyers, facilitating wholesale transactions (go4worldbusiness.com). Additionally, Europages provides access to international suppliers of fiber optic patch cords, connectors, and related equipment suitable for Somali networks (europages.co.uk). Services and Products Offered Fiber optic cables: Single-mode, multi-mode, 4-core, and specialty fibers Connectivity components: Patch panels, optical distribution frames, connectors Network solutions: LAN, WAN, MAN, FTTH, and FttX deployments Consulting and installation: Planning, construction, technical acceptance, repair, and maintenance These suppliers cater to both local telecom operators and international carriers, ensuring high-quality connectivity and infrastructure support in Somalia. How to Connect Visit Somcable: somcable.com Contact Somali Optical Network: soon.so Explore wholesale options: Go4WorldBusiness and Europages These resources provide direct contact with supp...
