

Southeast Asian Fiber Optic Terminal Box Manufacturer

AI Overview

Leading fiber optic distribution box manufacturers serving Southeast Asia include Fibermint, Norden Communication, Cixi Anshi Communication Equipment, Unionfiber, and TUOLIMA. Key Manufacturers and Suppliers

Fibermint is a China-based manufacturer providing fiber optic splice closures, distribution boxes, and terminal boxes with OEM/ODM solutions. They serve telecom providers and network integrators across 20+ countries, including Southeast Asia, offering factory-direct pricing and on-time delivery . Norden Communication operates in Singapore and supplies external fiber optic distribution boxes. They are recognized as a leading local manufacturer and supplier, providing competitive pricing and regional support . Cixi Anshi Communication Equipment from China has over 30 years of experience and exports approximately 60% of its products to Southeast Asia. Their offerings include fiber-optic distribution trays, splice closures, drop wire connectors, and FTTH distribution boxes, with full OEM/ODM services . Unionfiber manufactures indoor and outdoor fiber distribution boxes suitable for communications, data centers, and smart manufacturing industries. Their products are designed for robust environmental performance and efficient optical signal distribution . TUOLIMA specializes in FTTH distribution boxes and fiber splitter units, exporting to multiple continents including Singapore. They provide plastic and metal fiber optic boxes with high corrosion resistance, waterproofing, and dustproof features, along with professional after-sales support .

Considerations for Selection

Product Type: Choose between indoor, outdoor, or FTTH-specific distribution boxes depending on deployment needs.

Environmental Rating: IP65 or IP68-rated enclosures ensure durability in harsh conditions.

OEM/ODM Services: Manufacturers offering customization can support specific network design...
