

Sri Lanka Explosion-proof Distribution Box Supplier

AI Overview

Top Sri Lankan manufacturers of explosion-proof and high-protection distribution boxes include Rotax Limited, General Power Electric, Electro Serv Lanka, and Cubik Engineering, offering IP65/IP66-rated, fire-resistant, and corrosion-proof enclosures. Key Manufacturers and Offerings Rotax Limited has a strong presence in Sri Lanka's electrical engineering sector, providing high-quality enclosures for industrial and utility applications. Their products include IP65 and above rated boxes designed to protect electrical equipment in harsh environments, ensuring durability and safety for industrial installations. General Power Electric offers IP66 weatherproof distribution boxes made from high-quality thermoplastic materials such as imported ABS resin. These boxes are fireproof, UV-resistant, and corrosion-proof, with customizable entrance and exit holes to meet specific industrial requirements. They are suitable for dusty, humid, and outdoor environments. Electro Serv Lanka specializes in low-voltage electrical distribution solutions, including IP-rated, corrosion-proof polycarbonate thermoplastic enclosures and junction boxes. They provide complete solutions for industrial control, automation, and power distribution, with products designed for dusty and humid conditions. Electro Serv Lanka also offers technical support, panel assembly, and after-sales services. Cubik Engineering Co. (Pvt) Ltd manufactures high-quality, tested enclosures and switchboard components. Their TIMIK modular panels and wall-mounting boxes are IP65-rated, corrosion-resistant, and impact-resistant, tested in UKAS-accredited laboratories. Cubik provides a full range of outdoor enclosures and switchboard accessories, ensuring compliance with international standards. Features to Consider IP Rating: IP65 or IP66 is recommended for explosion-proof and coastal installations to prevent moisture a...
