

Sri Lanka Long-Span Cable Tray Brands

AI Overview

Top cable tray manufacturers in Sri Lanka include Gaurav Electromech, Jeetmull Jaichandlall, Eastlink, C & D International, and Cubik, offering durable long-span solutions for industrial and commercial applications. Leading Manufacturers and Suppliers

Gaurav Electromech is a well-known brand in Sri Lanka, providing sturdy cable trays designed for commercial, residential, and industrial settings. They offer ladder-type, perforated, solid bottom, and wire mesh trays suitable for long-span installations, ensuring proper ventilation, mechanical support, and easy maintenance. Their products are engineered for durability, safety, and scalability, making them ideal for large-scale electrical infrastructure projects.

Jeetmull Jaichandlall (P) Ltd. specializes in high-quality wire mesh cable trays and other cable management solutions. They provide a variety of sizes, shapes, and finishes, with modern manufacturing facilities and advanced technology to ensure long-lasting performance. Their trays are designed to withstand heavy loads and resist deformation, making them suitable for long-span applications.

Eastlink offers a wide range of cable trays and accessories, including electro-galvanized, hot-dip galvanized, steel, aluzinc, and aluminum alloy options. Their products are engineered for safe and organized cable distribution, supporting both light and heavy-duty installations.

C & D International (Pvt) Limited provides cable trays and related accessories for industrial and commercial projects, focusing on quality and compliance with industry standards.

Cubik supplies the PRISMA Cable Management System, which includes cable trays, ladders, trunkings, and floor trunkings. Their solutions are suitable for structured cable management in large-scale installations.

Types of Cable Trays for Long-Span Applications

- Ladder-Type Trays:** Ideal for heavy power cables, providing strong structural support and long-span capability.
- Perforated Trays:** Suitable for light-to-medium cabling with excellent ventilation.
- Wire Mesh Trays:** Offer excellent ventilation and are suitable for long-span applications.
