

Uganda Low-Voltage Distribution Box Manufacturer

AI Overview

Leading manufacturers of low-voltage distribution boxes in Uganda include Arc Control Ltd, ECS (Electrical Controls & Switchgear Ltd), Omega General Electricals, Bintech Systems, and Lone Africa Limited. Key Manufacturers

1. Arc Control Ltd Based in Kampala, Arc Control Ltd is an ISO 9001:2015 certified company specializing in the design and manufacturing of electrical switchboards, servo voltage stabilizers, bus ducts, and cable trays. They provide comprehensive power distribution solutions including low-voltage switchgear and panel boards, with a focus on reliability and safety in industrial and commercial applications.
2. ECS (Electrical Controls & Switchgear Ltd) Founded in 1983 and located in Kawempe, ECS is a leading local manufacturer of distribution transformers, low-voltage distribution panels, and motor control panels. Their enclosures are designed to meet international standards up to IP65, using 2.0–2.5mm sheet steel with epoxy powder coating. ECS emphasizes quality, ISO 9001:2015 compliance, and custom solutions for industrial and commercial installations.
3. Omega General Electricals Omega General Electricals manufactures custom and standard switchboards and panel boards in Uganda. Their products comply with UL, NEMA, and IEEE standards, and they offer design support for complex projects. Omega has in-house electrical engineers and a state-of-the-art sheet metal workshop, providing flexibility for tailored low-voltage distribution solutions across Uganda and the East African region.
4. Bintech Systems & Supplies Ltd Bintech supplies high-quality electrical products including industrial AC contactors, medium-voltage switchgear panels, and low-voltage distribution components. While primarily a distributor, they provide access to premium electrical hardware suitable for low-voltage power systems in industrial and commercial settings.

Article Content

Electrical Equipment – ENEL POWER SERVICES (U) LIMITED

We are authorized dealers for supply of high quality, low voltage switchgear, motors, Transformers, conductors, insulators, metal bars and other electrical accessories.

Distribution Transformers – Electrical Controls

INTRODUCTION Distribution Transformers We take pleasure in introducing ourselves as one of the emerging manufacturers of state-of-the-art

Arc Control Ltd | Low Voltage Switchgear Products

Arc Control Limited is an ISO 9001 : 2015 and 14001 : 2018 Certified electrical engineering solution provider company with in house state of art machinery specializing in the design and manufacturing

Electrical Equipment and accessories – Libitco

LIBITCO can supply a large variety of Electrical equipment, cables, switch boxes, circuit breakers, batteries, lightning and transformers for many different

Electrical Controls & Switchgear Ltd – Transformer

ELECTRICAL CONTROLS & SWITCHGEAR LTD is an acknowledged specialist in the provision of electrical services to the engineering, manufacturing,

About Us

Establishment Since being founded in 1983 ECS has grown to become a leading local manufacturer and supplier of Distribution Transformers and low Voltage Distribution Panels Main Switchboards (the

OMEGA General Electrical

For a professional industrial electrical contractor in Uganda and the East African region as a whole, contact Omega General Electricals. We have all your electrical services needs covered.

Buy Wholesale Distribution Box in Uganda | Distribution Box from Uganda ...

Best B2B Platform to buy Bulk Distribution Box in Uganda trusted wholesalers. Customize MOQ of Distribution Box manufacturer from Uganda, deal with top Distribution Box verified suppliers.

Uganda Small Power Distribution Unit Ready Board

Type: Lighting Distribution Unit Structure: Portable, Safe and Easy to Use Certification: ISO9001:2000 Form: All- packaged Type Operation Voltage: Low

Electrical company in Uganda

Welcome to OMEGA General Electricals Your Trusted Electrical Contractor! ISO Certified Electrical Switchboard Manufacturer! As an authority figure in the electrical industry, we lead from a position of

Ready Board Quadrelecs Box Small Power Distribution

Ready Board RB32 Small Power Distribution Unit (SPDU) Brief Introduction RB32 is a portable, safe, economic and easy to use pre-wired low voltage ready board

Distribution Transformer Manufacturers & Suppliers In Uganda ...

We are one of the leading Distribution Transformer Suppliers in Uganda. To earn goodwill in the transformer industry, our key objective is to provide the best services for our customers so that

Distribution Switchboards – Electrical Controls

Where equipment or services are indicated to be manufactured or provided under a particular certification, licensing, or quality assurance scheme, the manufacturer

Electrical company in Uganda

We manufacture complete power distribution systems, which consist of standard "off the shelf" products from national manufacturers, or can be custom-designed and

Tanelec Ltd – Tanelec Company Ltd

Tanelec Limited was established in 1981 and is today the leading manufacturer of Distribution transformers, Power transformers,

Distribution Transformer Manufacturers in Uganda -

At the heart of every reliable electrical network is the distribution transformer. It plays a critical role in stepping down medium-voltage electricity to a safe and usable low voltage for end

LV Panels Manufacturer in Uganda Semptra Electric

We are one of the most well-known manufacturers of LV Panels. Power is divided into branch circuits and has a protective fuse as part of an

Electrical Controls & Switchgear Ltd – Transformer manufacturers and ...

To establish and maintain the position as a leading engineering company, supplier of industrial electrical switchgear, Transformer and panel builders in uganda.

The Electricity (Design, Manufacture, Installation and Use of Portable ...

The Electricity (Design, Manufacture, Installation and Use of Portable Low Voltage Single Phase Ready Boards) Guidelines Attached Files

Low Voltage Distribution Box Manufacturer – PZ30, XL

Zoliov is a professional Low Voltage Distribution Box Manufacturer offering PZ30, XL-21, JXF, and JP series panels for commercial, industrial, and utility projects.

Distribution transformers, Installation & Maintenance

Distribution transformers, Installation & Maintenance We at Fern Engineering & Supplies know that cables and sockets are not the only things that make

Cable Uganda

About Us Cable Corporation covers low voltage cables both industrial and domestic cables, all types of distribution conductors and transmission.

Ready Board Rb21 Small Power Distribution Box for

Ready Board RB21 Small Power Distribution Unit (SPDU) RB21 is a portable, safe, economic and easy to use pre-wired low voltage ready board with 2 (Two)

Transformer Uganda | IEC Certified | Tirupati Transformer

Q3. What is the price of a transformer in Uganda? The price of a transformer Uganda varies depending on type (distribution, power, dry type), KVA or MVA rating, voltage configuration, cooling method,

Power Distribution & Utilities | Chint Uganda Solutions

Authorised CHINT Group distributor for Uganda. Low voltage, power distribution, solar, lighting, and industrial electrical solutions — backed by decades of CHINT

Steema Transformers

Transformers and Power solutions for Uganda and Africa. Steema is the leading manufacturer, supplier, repairer and service provider of Transformers, VCBs, Panels, and Switchgears.

What are some manufacturers of electrical distribution boxes in Uganda

Our dataset for Electrical equipment suppliers in Uganda is one of the most comprehensive in the industry. As of September, 2025, we have compiled data on 92 verified listings.

East Africa Technical Teams Ltd – Quality and Safety

Our electrical engineering portfolio is most vibrant with experience in project management, contract planning, and construction of low and high voltage
