

Uganda OPGW Optical Cable Supplier

AI Overview

Norden and GL Fiber are leading OPGW cable suppliers in Africa, while Mercury Group Uganda provides local fiber optic cabling services across Uganda. Key Suppliers and Providers

1. **Norden Communication (Africa)** Norden is a prominent OPGW cable manufacturer and supplier in Africa, offering cables with a central aluminium-clad stainless steel tube, surrounded by aluminium-clad steel (ACS) and aluminium-alloy (AA) wire layers. Their OPGW cables combine high tensile strength, corrosion resistance, and fiber-optic communication capabilities, making them ideal for high-voltage transmission networks. Norden provides durable, stable, and cost-effective solutions suitable for challenging environments.
2. **GL Fiber / Hunan GL Technology (China)** GL Fiber is an international manufacturer supplying ADSS and OPGW fiber optic cables, along with hardware fittings and accessories. They have over 20 years of experience and export to more than 190 countries, including African markets. Their OPGW cables are designed to meet optical, electrical, and mechanical requirements, with stainless steel tube protection for fibers and high tensile strength.
3. **Mercury Group Uganda** For local services, Mercury Group Uganda offers fiber optic cabling solutions across all districts in Uganda, including installation, networking, and integration with modern infrastructure. They provide customized, efficient, and flexible fiber optic services, suitable for both small and large networks, ensuring high-speed data transmission and reliable connectivity.
4. **Other Local Suppliers** According to Volza's trade intelligence database, Uganda has 22 verified optical fiber cable suppliers, which include manufacturers and exporters capable of supplying OPGW and other fiber optic cables. These suppliers provide shipment-level pricing, volumes, and direct contact information for procurement purposes.

Considerations for Procurement

Cable specifications: Ensure the OPGW cable meets your project's voltage, tensile strength, and fiber count requirements.

Local support: Mercury Group...
