

What are some Canadian companies that specialize in ladder-type cable trays

AI Overview

Top Canadian ladder cable tray brands include Superior Tray, Unitray, Code Electric, T&B Cable Tray, and Niedax CER, all offering CSA-approved, durable, and customizable solutions. Leading Canadian Manufacturers Superior Tray is a prominent Canadian manufacturer offering a wide range of cable management products, including ladder trays, solid bottom trays, and perforated trays. They provide both standard and custom solutions in steel and aluminum, catering to commercial, industrial, and telecommunications projects, with a focus on durability and safety standards. Unitray specializes in aluminum cable trays and fittings, manufacturing CSA-approved Class C, D, and E products in standard lengths of 3m, 5m, and 6m. Their ladder trays are designed for easy installation and long-lasting performance, suitable for manufacturing, mining, and energy sectors, with ISO-certified quality and safety management systems. Code Electric serves Western Canada with fast delivery of aluminum and steel ladder trays. Their products are widely used in mills, marine terminals, factories, high-rises, data centers, and office buildings. Code Electric offers solid and ventilated bottom trays, designed to industrial standards for efficient cable distribution and protection. T&B Cable Tray Systems® (ABB Electrification Canada) manufactures aluminum and steel ladder trays at their Iberville, Quebec, and Edmonton, Alberta facilities. They provide ladder, large radius, long span, nonmetallic, and wire basket trays, with options for custom lengths, rung spacing, colors, and pre-drilled grounding holes. Their facilities are recognized for quick turnaround and high service levels. Niedax CER offers a comprehensive range of cable ladders, trays, basket trays, and channel trays for infrastructure, IT, and energy projects. With over 30 years in the Canadian market, their CSA-approved systems e...
