

What are some adjustable attenuators available in China

AI Overview

China offers a wide range of adjustable attenuators, including fiber optic, coaxial, and low PIM types, from leading manufacturers and verified suppliers.

Types of Adjustable Attenuators

- Fiber Optic Adjustable Attenuators:** Used in optical communication systems to control signal strength. Available in fixed and variable designs, often with low insertion loss and high precision.
- Coaxial Adjustable Attenuators:** Common in RF and microwave applications, providing adjustable signal attenuation for testing and measurement.
- Low PIM (Passive Intermodulation) Attenuators:** Designed for high-frequency communication systems to minimize signal distortion.

Leading Manufacturers in China

Some of the top manufacturers and suppliers include:

- Shenzhen Alf Communication Technology Co., Ltd** – Specializes in microwave communication devices, RF power devices, and attenuators.
- Xi'an Fuweier Electronic Technology Co., Ltd** – Offers communication equipment, electronic components, and adjustable attenuators.
- Chuangxin Testing Technology (Shenzhen) Co., Ltd** – Focused on testing and measurement equipment including attenuators.
- Suzhou Laier Microwave Technology Co., Ltd** – Provides microwave and RF components, including adjustable attenuators.
- Hunan Quanbo Communication Technology Co., Ltd** – Supplies communication and electronic devices with adjustable attenuation solutions.

Sourcing Platforms

- Made-in-China.com** – Offers a wide selection of adjustable attenuators, including 10dB, low PIM, and coaxial types, with options for OEM/ODM customization.
- Alibaba.com** – Provides direct access to adjustable fiber optic attenuator factories and verified suppliers, suitable for bulk orders and global shipping.

Tips for Buyers

- Compare multiple suppliers to ensure competitive pricing and reliable quality.
- Check for certifications and product specifications, especially fo...

Article Content

China Adapter Attenuator, Adapter Attenuator Wholesale,

The Adapter Attenuator is a standout piece in our Fiber Connector collection. Yes, there are many cost-effective fiber connector options available. Explore wholesale pricing from multiple suppliers to find

Adjustable Fiber Optical Attenuator China Trade, Buy China Direct

Buy Adjustable Fiber Optical Attenuator China Direct From Adjustable Fiber Optical Attenuator Factories at Alibaba . Help Global Buyers Source China Easily.

China Attenuators, Attenuators Wholesale, Manufacturers, Price

China Attenuators wholesale - Select 2026 high quality Attenuators products in best price from certified Chinese manufacturers, suppliers, wholesalers and factory on Made-in-China

China Attenuator Manufacturers Suppliers Factory

Founded in 1998, HUAMAI is one of the most professional attenuator manufacturers and suppliers in China. Please rest assured to wholesale customized attenuator at low price from our factory. Good

Variable Attenuator manufacturers, China Variable Attenuator

Find Variable Attenuator manufacturers from China. Import quality Variable Attenuator supplied by experienced manufacturers at Global Sources.

China Best Attenuator Manufacturers and Suppliers

CenRF is one of the best attenuator manufacturers and suppliers in China, specialized in wholesale service. Welcome to buy high quality attenuator from our factory here.

XINQY Adjustable Attenuators

Find reliable adjustable attenuators for various applications. Precision and durability in every product. Shop our selection today for high-quality solutions.

Chinese Attenuator suppliers, Attenuator suppliers from China ...

Import China Attenuator from various high quality Chinese Attenuator suppliers on Global Sources.

Variable Optical Attenuator manufacturers, China Variable Optical ...

Find Variable Optical Attenuator manufacturers from China. Import quality Variable Optical Attenuator supplied by experienced manufacturers at Global Sources.

Top 10 Attenuators company China Products Compare 2025

Product Details: Attenuators are devices used to reduce the power of a signal without significantly degrading its quality. They are commonly used in optical communications and various testing

Attenuator Manufacturers On B2BChinaSources from China

Listing of China Attenuator Manufacturers & suppliers. All qualify products of attenuator made in China & Taiwan, connecting reliable Chinese manufacturers, suppliers, exporters, factories & contract

China Fixed Attenuator, Fixed Attenuator Wholesale, Manufacturers ...

Discover the perfect addition to your Fiber Connector with our Fixed Attenuator. There are several fiber connector types, including SC, LC, ST, and MTP. These connectors cater to various applications in

Top 10 Attenuator manufacturer China Products Compare 2025

Product Details: CenRF offers a variety of RF attenuators including models such as 100W RF Attenuator, 50W Attenuator N-Female, and Low PIM Attenuator 200W, designed for precise RF

Manually Adjustable Attenuator Market Size, Expansion, Research ...

Another challenge is the relatively low awareness of manually adjustable attenuators in certain sectors. While industries like telecommunications and broadcasting recognize the importance of signal

China Variable Attenuator, Variable Attenuator Wholesale,

Our Variable Attenuator offers exceptional quality within the Fiber Optic Equipment category. Selecting factory-priced fiber optic equipment can significantly lower costs, allowing access to top-tier products

Adjustable attenuator-AliExpress

An adjustable attenuator reduces signal amplitude without distorting the waveform, making it essential for audio and RF applications. This guide explains its uses, selection criteria, common issues, and

2026 Top 10 Attenuator Manufacturers in China

Top-rated Attenuator suppliers, How to choose a Attenuator manufacturer, Best Attenuator companies in China

Attenuation Adjustable Attenuator

China Attenuation Adjustable Attenuator wholesale - Select 2025 high quality Attenuation Adjustable Attenuator products in best price from certified Chinese manufacturers, suppliers, wholesalers and

Adjustable Attenuators Market Research Report 2034

Adjustable Attenuators Market Outlook 2025-2034 The global adjustable attenuators market was valued at \$1.62 billion in 2025 and is projected to reach \$3.01 billion by 2034, representing a compound

China Adjustable Attenuator, Adjustable Attenuator Wholesale ...

Discover the perfect addition to your Fiber Optic Equipment with our Adjustable Attenuator. Identify leading distributors by their ability to offer competitive wholesale prices and insider deals on new

China Coaxial Attenuators, Coaxial Attenuators Wholesale,

You can also customize Coaxial Attenuators orders from our OEM/ODM manufacturers. They are experienced China exporters for your online sourcing. Update your electrical products and buy from

attenuator china, attenuator china Suppliers and Manufacturers at ...

52435 attenuator china products are offered for sale by suppliers on Alibaba , of which attenuators accounts for 20%, telecom parts accounts for 2%, and fiber optic equipment accounts for 2%.
