

Where can I buy electrical distribution boxes in Singapore

AI Overview

Electrical distribution boxes in Singapore can be purchased from online marketplaces like Carousell and Lazada, specialized suppliers such as Eezee, or installed by licensed electricians from companies like Local Service Pte Ltd, PS Home Maintenance, and Nation Electric. Online Marketplaces and Retailers Carousell Singapore offers a wide range of distribution boxes, including portable, PVC, metal, and customized units for residential, industrial, and event use. Prices range from S\$10 for small units to over S\$2,500 for custom fabricated boxes, often with delivery options. Lazada Singapore stocks waterproof and weatherproof distribution boxes suitable for outdoor projects, with options from local and international brands, including VOX, Marlanvil, and CHW. Eezee.sg provides bulk and branded distribution boxes, including Schneider Electric, Vox, and Omega sensor distribution boxes, with options for 3-way to multi-port configurations. Professional Installation Services For safe and code-compliant installation, licensed electricians in Singapore can handle both new installations and replacements: Local Service Pte Ltd offers full distribution box installation, replacement, and maintenance services for residential and commercial properties, ensuring compliance with EMA and BCA regulations. PS Home Maintenance Pte Ltd provides customized solutions, load calculations, circuit design, and upgrades for modern electrical needs, including EV charging and solar panel integration. Nation Electric and Lito Electrical Services specialize in residential, commercial, and industrial DB box installations, including single-phase and three-phase systems, with professional wiring and safety checks. LS Handyman Singapore offers site assessments, custom enclosures, load balancing, and emergency repairs for distribution boxes. Electrician Singapore provides single and double door distrib...
