

Where can I find manufacturers of spectrometers

AI Overview

You can find spectrometer manufacturers worldwide, including Thermo Fisher Scientific, Agilent Technologies, Shimadzu, JEOL, Hitachi High-Tech, Anton Paar, and specialized companies like B&W Tek and Ibsen Photonics.

Leading Global Manufacturers

- Thermo Fisher Scientific:** Offers advanced mass spectrometry and molecular spectroscopy systems, with a global presence and multiple factories in China, providing solutions for life sciences, environmental analysis, and biomedical diagnostics.
- Agilent Technologies:** Specializes in high-performance benchtop and portable spectrometers, focusing on analytical reliability and eco-friendly design for chemical, life sciences, and academic applications.
- Shimadzu Corporation:** Provides mass spectrometry, molecular spectroscopy, and nuclear magnetic resonance instruments, emphasizing digital integration and energy-efficient solutions.
- JEOL Ltd.:** Known for high-resolution nuclear magnetic resonance and electron spectroscopy platforms, widely used in research and chemical analysis.
- Hitachi High-Tech Corporation:** Delivers user-friendly mass spectrometry and spectroscopy systems suitable for environmental, biotech, and industrial applications.
- Anton Paar GmbH:** Offers specialty spectrometry solutions, particularly in near-infrared and Raman technologies.

Specialized and Niche Manufacturers

- B&W Tek:** Focuses on Raman spectrometers and mobile spectroscopy products for pharmaceutical, biomedical, and safety applications.
- Spectrometer Technologies:** Provides high-end spectrometers for mining and mineral analysis, particularly in Sub-Saharan Africa.
- Ibsen Photonics:** Develops grating-based spectrometer modules, offering both standard and customized solutions for high sensitivity and compact design.
- AMETEK, Inc.:** Manufactures advanced analytical instruments, including spectrometry solutions for...

Article Content

43 Ftir Spectrometers Manufacturers From around the world

The list of FTIR spectrometer manufacturers is long. But hardly any page on the internet actually offers a complete overview of the suppliers on the market. We can help: here you will find all the

67 Spectrophotometer Manufacturers in 2026

Manufacturer Overview tec5USA, Inc. established in 2001 and based in Plainview, New York, USA, is a manufacturer and distributor of tailored inline process spectrometers. The company's product range

Spectroscopy Suppliers | Spectroscopy Europe/World

Magritek is the global leader in manufacturing cryogen-free benchtop NMR spectrometers for the analytical instrument market. Magritek's revolutionary 80 MHz, 60 MHz and 43 MHz Spinsolve

Industrial spectrometer, Spectrometer for industrial applications

Industrial spectrometers | Choosing the Right Spectrometer Infrared spectrometry is a type of absorption spectrometry that makes it possible to determine the nature of the chemical bonds present in a

5 Best Spectrometer Manufacturers in 2025

Customers know they can depend on SPECTRO to sell and service the spectrometers that become integral to their businesses and applications.

Top 100 Spectrometer Manufacturers in 2026 | ensun

Identify and compare relevant B2B manufacturers, suppliers and retailers. Max. SPECTRO is a leading provider of spectrometers, offering a range of solutions

Spectroscopy Equipment for Any Application

Looking for spectrometers, imaging systems or software for applications from education to health? Find those instruments & more to rent or buy today.

Spectrometers – Buyer's Guide & Supplier List | RP Photonics

This buyer's guide for spectrometers provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

Infrared Spectrometers Manufacturers and Suppliers | GlobalSpec

Discover 165 Infrared Spectrometers manufacturers and distributors on GlobalSpec. Find products, technical articles, videos, and more.

Spectrometer Manufacturers

A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the electromagnetic spectrum. The leading manufacturers of Spectrometers are

Spectrometers

Spectrometers from the leading manufacturers are listed below. Use the filters to narrow down on products based on your requirement. Download datasheets and request quotes for products that you

Spectrometers Companies in India | Find Suppliers | Kompass

Find verified spectrometer manufacturers in India on Kompass. Connect with trusted suppliers, request quotes, and simplify procurement on India's top B2B marketplace.

Spectrometers — Compact to Raman | FindLight

Colorimeters provide tristimulus or CIE color coordinates for display calibration, LED and luminaire binning, and quality control in manufacturing. Hyperspectral imagers combine spectrometers with 2D

19 Mass Spectrometer Manufacturers in 2026

19 Mass Spectrometer Manufacturers in 2026 This section provides an overview for mass spectrometers as well as their applications and principles. Also, please

26 Raman Spectrometers Manufacturers From around the world

The business directory for raman spectrometers manufacturers All manufacturers incl. products, news & contact information Find suppliers now!

Mass Spectrometers

Mass Spectrometers - You find here 42 suppliers from Great Britain Germany Spain Brazil Denmark Austria and Russia. Please obtain more information on spare parts, servicing, maintenance, Repair,

20 Spectroscopic Analyzer Manufacturers in 2026

Spectrometers are designed to capture and analyze these interactions. By studying the resulting data, various types of information can be extracted, including

Top 10 Spectrometer Brand & Manufacturers

Find the Top 10 Spectrometer brand, manufacturers, and exporters. Get the contact details and addresses of companies producing Keywords.

20 FTIR Spectrometer Manufacturers in 2026

This section provides an overview for ftir spectrometers as well as their applications and principles. Also, please take a look at the list of 20 ftir spectrometer manufacturers and their company rankings.

400 Spectrometers Manufacturers From around the world

Tip: Select a quick entry below to view selected spectrometers manufacturers by industry or country. At Advion Interchim Scientific*, we deliver tailored solutions to meet our customers' most challenging

Top 10 Spectrometer Brand & Manufacturers

This section provides a list of the top 10 Spectrometer manufacturers, Website links, company profile, locations is provided for each company. Also provides a detailed product description of the

Elemental Analysis Solutions & Analytical Instruments | SPECTRO

SPECTRO is a global leading supplier of advanced analytical instruments like ICP, Arc Spark OES, and XRF spectrometers for precise elemental analysis of materials.

Top 10 Leading Spectrometers Companies to Watch in 2025 and

Explore the spectrometers market's most influential companies driving innovation, competitive performance, and industry trends in 2025-2030.
