

# Where to find electrical distribution box manufacturers in Egypt

## AI Overview

Some leading electrical distribution box companies in Egypt include Max. Dynamic Company, ElectroPower, TEPCO, iPower, KSA, and AGECE. Key Companies

**Max. Dynamic Company** specializes in electrical distribution systems, offering design, implementation, and maintenance services. They also provide solutions in industrial automation, energy efficiency, and solar energy applications.

**ElectroPower Company** focuses on medium and low voltage contracting, including transformer installation and light current systems, providing essential electrical distribution solutions across various industries.

**TEPCO** offers a wide range of low and medium voltage systems, including MV and LV switchgear, designed for high power, safety, and energy efficiency.

**iPower** supplies, installs, and services medium voltage and power distribution products, including distribution transformers, with competitive pricing and technical support.

**KSA** manufactures custom distribution boxes, electric panels, and durable metal enclosures, ensuring compliance with global safety and efficiency standards.

**AGEC (Al Giza for Electrical Industries)** produces low and medium voltage power distribution panels, including ATS, MCC, RMU, and transformer kiosks. They also provide installation, retrofit, and predictive maintenance services for electrical systems.

**Additional Options** Other companies in Egypt involved in electrical distribution include South Delta Electricity Distribution Company and Al Beheira Company for Electricity Distribution, which are part of the state power distribution network.

These companies collectively cover a wide range of services, from manufacturing and assembling distribution panels to installation, maintenance, and system upgrades, making them suitable for industrial, commercial, and utility-scale projects in Egypt.
