

Zhuji Metal Cable Tray Prices

AI Overview

Metal cable trays in Zhuji typically range from 100 to 400 RMB per 2.4-meter section, depending on material, type, and customization.

Price Overview The cost of metal cable trays in Zhuji, part of Zhejiang province, is influenced by several factors:

- Material:** Hot-dip galvanized steel is common and more affordable, while stainless steel or specialized coatings increase the price.
- Type:** Ladder trays, perforated trays, and wire mesh trays vary in cost. Ladder-type trays are generally the standard and most cost-effective.
- Size and Length:** Standard lengths are around 2.4 meters, with prices quoted per section.
- Customization:** Additional features like dividers, covers, or custom dimensions can raise costs.

Estimated Price Range

- Hot-dip galvanized ladder tray (2.4 m): approximately 100–200 RMB per section.
- Stainless steel or heavy-duty trays: approximately 250–400 RMB per section.

Fittings and accessories: priced per piece, typically 20–50 RMB depending on complexity.

Purchasing Tips

- Wholesale or factory-direct:** Buying directly from local manufacturers in Zhejiang can reduce costs and allow for bulk discounts.
- OEM/ODM options:** Custom trays can be sourced from suppliers in Zhuji or nearby cities, ensuring specifications are met while maintaining competitive pricing.
- Consult suppliers:** Contacting multiple verified suppliers in Zhuji or the Yangtze River Delta region helps compare prices and delivery options.

By considering material, type, and supplier options, buyers in Zhuji can effectively manage costs while ensuring quality and compliance with electrical installation standards.
